STRATEGIC GOAL FOR OUR HEALTH CARE WORKFORCE →

- The right health care provider / team, providing the right health care, in the right setting on time, every time.
- Health care provider?
 - Health care professional
 - Health care team
 - Other care providers
 - Family, friends.

HHR Framework - Pillars

- Patient/family centered care.
- Collaborative practice and education.
- Quality healthcare in quality workplaces.
- Comprehensive, practical, useable, open and transparent health workforce planning.
- HHR sustainability built upon innovations and improvements in workforce productivity, utilization, cost-effectiveness, and health outcomes.
- Shared responsibility for health.

Group Questions

- What does the Pillar mean to you?
- What opportunities does the Pillar hold for licensed practical nurses?
- What would you like to see in a provincial health human resources strategic plan for licensed practical nurses?
