Instructions on How to Submit your Video

How to Submit Video:

Save the video on your phone, camera or laptop. You will not be able to send this large file directly by email; the CLPNA will email you with a secure link after you have emailed your completed nomination form to Marjorie Malenfant at mmalenfant@clpna.com.

Advice on Video Production:

We recommend that you use a well-lit area for filming, and be close enough to the microphone to capture good audio. Let your face fill most of the frame (horizontally), like this:

We DO NOT RECOMMEND vertically filmed videos as in the below example:

Look into the camera lens while speaking. Ensure the camera is slightly above eye level, neither too far below your chin (looking up your nose) or above your eyes (looking down on the top of your head).

See this video from a current Council member as an example of a good quality video: [K Kooiker - Video](#)

Here is some information that will help you create your video:

The Council's responsibilities include:

- The Council is responsible for the overall direction of the CLPNA and, through Policy Governance, is responsible for: setting CLPNA strategic direction including Mission, Vision, Mandate and Outcomes. Setting Bylaws, Regulations, Standards of Practice, and Code of Ethics (see Legislation, Practice & Policy on CLPNA website).
- Approving practical nurse education programs and reviewing annual financial statements.
- The Council does not manage the day-to-day operations of the CLPNA, which is administered by the Chief Executive Officer and staff.

Some ideas about what characteristics an elected Council member requires are:

- Characteristics of a successful Council Member include: Passion about the CLPNA's Mandate – "To lead and regulate the profession in a manner that protects and serves the public through excellence in Practical Nursing."
- Critical Thinker - Able to examine interpretations, evidence, and proposed decisions against existing policies to determine consistency and compliance.
- Future Thinker - Able to see the "big picture"; can think strategically in terms of systems.
- Servant-Leader - Willingness and ability to understand LPN / stakeholder / public perspectives and make decisions on their behalf, and to gain in-depth knowledge of the issues and implications of decisions.
- Active Participant - Able to articulate ideas well; willing to debate in a constructive manner.
- Commitment - Willing to devote time for meeting preparation, additional learning, and to attend all required meetings.
