

Care Manager, LPN – Surrey, BC (FULL TIME)

The Care Manager provides overall clinical and service delivery leadership to a local CBI HH/ We Care Office, nurturing and developing relationships with stakeholders and optimizing the effectiveness and efficiency of available talent (including minimizing attrition) through mentoring, coaching and engaging supervisors and care providers. Overseeing effective patient experience and care planning that aligns with the organization's clinical goals and service delivery standards, the Care Manager will build a team that achieves or surpasses stakeholder expectations and company targets as aligned with CBI values and vision.

Key accountabilities:

- Service Excellence through implementation of best practice guidelines
- Leadership and People Management
- Stakeholder, referral source and client engagement
- Quality & Risk Management

Qualifications:

- Must possess valid CLNPBC license
- Must be able to travel provincially
- Relevant management experience is an asset

About CBI Health Group:

CBI Health Group is Canada's largest provider of integrated community healthcare. For over 40 years, we have remained totally committed to improving the health and enriching the lives of Canadians.

What sets us apart is our ability to work as a unified network dedicated to the ongoing learning that allows us to foster best practices, improve access to care and create better results for our patients. We organize our teams and services to ensure the right professionals and caregivers provide the right service, at the right time, in the right place.

In over 250 facilities, our services are provided by a dedicated team of more than 11,000 administrators, support staff and caregivers that include physiotherapists, occupational therapists, registered massage therapists, kinesiologists, chiropractors, speech-language pathologists, psychologists, physicians, nurses, dietitians and behaviour therapists.

The CBI group of companies includes CBI Health Centres, CBI Home Health, We Care Home Health Services, Monarch House, CBI Workplace Solutions, and CBI Assessment Services. Our expanding transitional and residential community care network now numbers more than 60 homes nationwide.

At CBI, our people really care and believe that by working together, we can aim higher and make great things happen every day.
